2025 IMPACT REPORT

The Club Experience

Our Clubs provide safe, fun, and challenging after-school and summer programs where youth are able to participate in life-changing experiences and opportunities while also developing supportive relationships with peers and caring adults, enabling them to design a plan for their future.

The Need in our Communities

Every day 148,052 kids in Alabama leave school with nowhere to go, where they risk being unsupervised, unguided, and unsafe.
